### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: The prior art fails to show or fairly teach an integral cryopump and two stage pulsetube. While both cryopumps and two stage pulse tubes are known, no teaching can be found of a housing for a cryopump which is integral with the hot sides of a two stage pulsetube as claimed. The closest art is applicant's copending applications, but each claims a distinct aspect of the invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
